George.Quinn@Rutgers.edu
Department of Political Science, Rutgers University

Hickman Hall
89 George Street
New Brunswick, NJ 08901

EDUCATION

Rutgers, The State University of New Jersey, New Brunswick, NJ

Exp 2027 Ph.D., Political Science

Dissertation: *Negativity Bias Revisited: Changes in the effects of campaign appeals over time*

Committee: Richard Lau, Katherine McCabe, Nathan Kelly, Kira Sanbonmatsu & Stuart Soroka (UCLA)

2024 M.A., Political Science

Major Field: American Politics

Minor Field: Statistical Methodology

Stockton University, Galloway, NJ

2022 B.A., Political Science – Minor in Holocaust & Genocide Studies

ACADEMIC APPOINTMENTS

Eagleton Institute of Politics, New Brunswick, NJ

2022 - Lead Graduate Research Assistant

Data Management - Young Elected Leaders Project (YELP)

Center for Youth Political Participation (CYPP)

RESEARCH PUBLICATIONS

Under Review

George Quinn & Fredric Traylor “*AI Politics is Local: Textual Trends and Data Center Politics*”

George Quinn & Zachary Winograd “*Racial Attitudes and Vote Choice*”

Santos Rivera-Cardona & **George Quinn** “*Puerto Rico: Is Independence for the Rich and Statehood for the Poor?*”

George Quinn & Jessica Grassetti “*Dynamic Voter Behavior in Polarized Times: Longitudinal Analysis of Electoral Choice in 2016 and 2020*”

George Quinn & Jan Kubik “*Cultural Impacts on Measuring Authoritarianism in American Elections*”

DATASETS

- 2026 American National Election Study – Open Ended Response Database. Author Created Database of Candidate Likes/Dislikes in 2020 & 2024 (2012 & 2016 Election Years in Development)
- 2024 Young Elected Leaders Project. Age in State Legislatures 2017–2024 [Dataset]. Young Elected Leaders Project, Center for Youth Political Participation, Eagleton Institute of Politics, Rutgers University. Corresponding Author: George D. Quinn
- 2024 Young Elected Leaders Project. Age in the United States Congress 2002–2024 [Dataset]. Young Elected Leaders Project, Center for Youth Political Participation, Eagleton Institute of Politics, Rutgers University. Corresponding Author: George D. Quinn

RESEARCH FUNDING

External

- 2026 APSA Travel Award - Reimagining Accessibility in the Discipline Working Group (\$1,000)

Internal

- 2026 Rutgers Democracy Lab - Democracy Summer Research Fellowship (\$2,000)
- 2025 Political Science Department Student Travel Funds Award (\$1,500)
- 2024 Political Science Department Student Travel Funds Award (\$1,500)
- 2024 ICPSR Rutgers Departmental Scholarship University of Michigan - Ann Arbor (\$3,200)

HONORS AND AWARDS

- 2024 AAPOR Best Student Poster Award (\$500)
- 2023 Political Science Department Excellence Fellowship - Rutgers University
- 2022 Political Science Department Excellence Fellowship - Rutgers University
- 2022 Stockton Board of Trustees Fellowship (\$500)
- 2021 Adele & Joseph Dancyger Holocaust Research Scholarship (\$1,500)

PUBLIC FACING WORK & MEDIA

Media Interviews:

- *Age gap persists between Mississippians, lawmakers*: Gaven Wallace, Roy Howard Center for Community Journalism, June 2026
- *A New Age of Montana Politics*: Mariah Thomas, Flathead Beacon, September 2026

Hosted Webinars & Trainings:

- *Youth Representation in Office: What we know and Why it Matters* - Moderated Webinar Eagleton Institute of Politics, October 2026
- Young Elected Leaders: Perspectives on Age and Elected Leaders APSA - Pre Conference / Short Course - 2025, Vancouver, BC - Lead Pre-Conference Organizer, September 2025

Public-Facing Writing:

- *YELP Blog*: Blog writer and editor overseeing Rutgers undergraduate students, October-November 2026

CONFERENCE PRESENTATIONS

2026

1. **George Quinn** “Unlocking Open Ended Data – ANES Like Dislike Classification 2012 – 2024.” *Accepted* at Midwest Political Science Association (MAPOR), Chicago, IL, November 2026
2. Santos Rivera-Cardona and **George Quinn**. “Puerto Rico: Is Independence for the Rich and Statehood for the Poor?” *Accepted* at Politics of Race, Immigration, and Ethnicity Consortium (PRIEC), Boulder, CO, November 2026
3. **George Quinn** “AI Politics is Local: Turning Down the Temperature on Data Center (DC) Politics” – Rutgers Democracy Lab Summer Fellowship Symposium, New Brunswick, NJ, September 2026
4. **George Quinn** “Today’s Voter: Experimenting with the Effects of Campaign Tone” New York Political Science Conference, Rochester NY, September 2026
5. **George Quinn** “Unlocking Open Ended Data – ANES Like Dislike Classification 2012 – 2024.” DC-AAPOR & WSS Review/Preview Conference, Washington, DC, September 2026
6. Traylor, Frederic and **George Quinn**. “AI Data Centers: Congressional Framings and Their Electability.” American Political Science Association (APSA), Boston, MA, September 2026
7. **George Quinn**. “Priming Negativity: Open-Ended Text Classification and Campaign Appeals” American Political Science Association (APSA), Boston, MA, September 2026
8. **George Quinn** and Shauna Shames. “Passing the Torch: How Gen-Z Is Seeking Office on Their Own Terms” Midwest Political Science Association (MPSA), Chicago, IL, April 2026
9. **George Quinn**, “Negativity Bias Revisited: Assessing Candidate Evaluations and Campaign Environments” Midwest Political Science Association (MPSA), Chicago, IL, April 2026
10. **George Quinn** & Jessica Grassetti, “Dynamic Voter Behavior in Polarized Times: Revisiting Markus and Converse with 2016–2020 ANES Panel Data” Midwest Political Science Association (MPSA), Chicago, IL, April 2026

11. **George Quinn** & Zachary Winograd, “Racial Attitudes Effect on Vote Choice – Senate Elections in Georgia” Southern Political Science Association (SPSA), New Orleans, LA, January 2026
 12. Maria Ovalle & **George Quinn**, “Challenging the Narrative: Latino Voting in Presidential Elections” Southern Political Science Association (SPSA). New Orleans, LA, January 2026
- 2025
13. **George Quinn** & Zachary Winograd, “Racial Attitudes Effect on Vote Choice” Midwest Political Science Association (MAPOR), Chicago, IL, November 2025
 14. Maria Ovalle & **George Quinn** “Challenging the Narrative: Latino Issue Voting in Recent Elections” Politics of Race, Immigration, and Ethnicity Consortium (PRIEC), Boulder CO, November 2025
 15. **George Quinn** & Richard Lau, “Negativity Bias Revisited” American Political Science Association (APSA), Vancouver, BC, September 2025
 16. **George Quinn** & Jessica Grassetti, “Dynamic Voter Behavior: Longitudinal Analysis of Electoral Choice in 2016 and 2020” American Political Science Association (APSA), Vancouver, BC, September 2025
 17. Maria Ovalle & **George Quinn** “Challenging the Narrative - Do Immigration Attitudes Still Predict Latino Voting Preferences in American Elections?” American Association of Public Opinion Research, (AAPOR), St Louis, MO, May 2025
 18. **George Quinn** & Richard Lau, “Steering AI for Classifying Open-Ended Text: An Evaluation of Anes 2020 Candidate Likes & Dislikes” American Association of Public Opinion Research (AAPOR), St Louis, MO, May 2025
 19. **George Quinn**, “The Age Penalty: Two Experiments Evaluating Public Perceptions of Candidate Age within Simulated Primary Elections” Midwest Political Science Association (MPSA), Chicago, IL, April 2025
 20. **George Quinn** & Richard R. Lau, “Steering Generative AI for Classifying Open-Ended Text: An Evaluation of ANES Open-ended Data” Midwest Political Science Association (MPSA), Chicago, IL, April 2025
 21. **George Quinn**, “Age and Candidate Perceptions” Southern Political Science Association (SPSA), San Juan, PR, January 2025
 22. **George Quinn** & Richard R. Lau, “Negativity Bias Revisited” Southern Political Science Association (SPSA), San Juan, PR, January 2025
- 2024
23. **George Quinn** & Richard R. Lau, “Steering Generative AI for Classifying Open-ended Text” American Political Science Association (APSA), Philadelphia, PA, September 2024
 24. **George Quinn** - Evaluating AI and Structured Topic Modeling for Open-ended Responses within the 2020 ANES” – American Association of Public Opinion Research (AAPOR), Atlanta, GA, May 2024 *Winner of the 2024 AAPOR Student Poster Award*

TEACHING

Instructor

Introduction to American Government

Summer 2025, Summer 2026

Teaching Assistant

Advanced Topics in American Politics - Baker’s Dozen
(Experiential course for honors political science students)

Fall 2026

Introduction to American Government
Political Methodology
Undergraduate Teaching Assistant

Fall 2025, Spring 2026
Fall 2024, Spring 2025

Introduction to Political Methodology
Areas Prepared to Teach

Fall 2021, Spring 2022

American Politics, Methods, Computational Political Science, Generative AI Policy & Implications, Campaigns & Election, Political Psychology, Hispanic Politics, Race & Ethnic Politics, Experiential Learning in Political Science.

SERVICE

Reviewer for:
Party Politics

To the Field

- 2026 AAPOR Conference Program Committee Member
- Abstract Reviewer In particular, developing conference tracks for AI: Data Science, Machine Learning, and Big Data AI: LLMs, NLP, and Generative AI
- 2024 - 25 Co-Chair, Journal Scholars Exchange
- JSE is a structured two-month program designed to prepare undergraduate researchers for careers in the professional, industrial, and academic fields.
 - Joint program with AAPOR and ASA

To the University

Rutgers University

2024 – 2025 Co-Chair, AI Collaborative (Joint with Sociology and Communication)

Stockton University

2020 - 2022 President of Stockton University's National Political Science Honors Society

PROFESSIONAL AFFILIATIONS

American Political Science Association (APSA) | American Association of Public Opinion Research (AAPOR) | Midwest Political Science Association (MPSA) | Southern Political Science Association (SPSA) | Pi Sigma Alpha - Political Science Honors Society | American Statistical Association (ASA)

SKILLS, METHODS, TRAINING & PROGRAMMING LANGUAGES

Statistical Packages: R/R Studio, Stata, SPSS, Qualtrics; Familiar with Python

Quantitative: MLE, Causal Inference, Experiments, Survey Design, Bayesian Analysis, Time Series, Network Analysis, Multilevel Modeling

Computational: Generative AI, Prompt Dialogue, Web Scraping, Text Analysis, Machine Learning, API calls, Social Media Scraping

Qualitative: Focus Groups, Thematic Analysis, Content analysis, Elite Interviewing

External Methods Training:

2026 Political Networks Pre Conference Workshop, The University of Manchester, UK

2024 Inter-University Consortium for Political and Social Research (ICPSR), University of Michigan, Focus on Network Analysis and Time Series Analysis

2022 The Summer Institute in Computational Social Science (SICSS), Rutgers University
